This wallet in top quality meets all requirements.

## Basic Leather cases

[000-025-000]

Handy, black leather wallet with two ID viewing windows and four credit card compartments for at least 8 to 12 credit cards. The wallet also has an additional compartment in the inside for various ID cards, notes, and invoices. It can be folded as desired with the badge on the outside, or with a viewing window on the outside and the badge on the inner part. This wallet is made from the finest high quality cowhide leather. The wallet opens sideways.

**Dimensions:** width 8 cm / height 11 cm

CHF 46

## Biker Leather cases

[000-015-000]

The right choice for bikers, truckers or outdoor lovers. Hard, smooth, brown cowhide leather. The wallet has two viewing windows for ID cards as well as six credit card pockets and a separate compartment for banknotes. An additional small compartment for various ID cards, and notes rounds off this wallet. The wallet has two decorative snap fasteners. The wallet can be attached easily to any belt with a chain and fits in any pocket. The removable security chain with a carabine clasp has a length of 42 cm..

This long-lasting leather accentuates the natural texture of the product and gives every single wallet an individual character. Leather connoisseurs appreciate the look of the worn leather as being "something special".

**Dimensions:** width 10 cm / height 12 cm, colour: brown.  
Length of chain: 42 cm with the carabine clasp.

CHF 51

## Business Leather cases

[000-003-000]

CHF 46

Black leather wallet with viewing window for ID, credit card compartments and banknotes.

## Camouflage Leather cases

[000-020-000]

CHF 54

Leather wallet, upright format with camouflage (textile covering). Outside like the inside with light-coloured stitching, very good workmanship. The interior of this wallet is made out of very exclusive, smooth brown cowhide leather. The wallet has a viewing window for ID cards as well as three credit card compartments for at least 6 to 9 credit cards.

Additionally there are two separate banknote compartments in the wallet. The elegant coin pocket with a snap fastener also offers enough room for your coins. Another small compartment for various notes and ID cards is under the coin pocket.

This wallet is very good for outdoor use with a belt holder for wearing it on a belt. This practical holder can easily be attached to a belt with a velcro fastener and an additional snap fastener.

### Dimensions:

width 9.5 cm / height 12.5 cm

The wallet is available with and without a belt holder.

## Casual Leather cases

[000-010-000]

CHF 54

High quality robust leather wallet with a beautiful structured surface. The wallet has two viewing windows for ID cards as well as six compartments for credit cards and a separate banknote compartment. It has two decorative snap fasteners. The wallet can easily be fastened on a belt with a chain and fits in every pocket. Well suited for motorcycle drivers etc.

**Dimensions:** width 10 cm, height, 12 cm. Length of chain: 40 cm.

## Classic Leather cases

[000-022-000]

CHF 60

Black cowhide leather wallet with many fine details and quality workmanship. There are four viewing windows for ID cards and a credit card slot that holds at least three credit cards. Additionally the wallet has another compartment on the inside for ID cards, notes, receipts, etc. The ball chain clasp can easily be opened and separates when pulled for safety.

This wallet has four eyelets and can be carried in a sideways or upright position. The wallet can be folded sideways and has a Velcro fastener. The big plus about this wallet is the elastic pen holder on the side. Also included in the price is an exclusive silver coloured metal ballpoint pen.

**Dimensions:** width 8.5 cm / height 11.0 cm

## Diplomat Leather cases

[000-017-000]

CHF 84

This well thought out and very practical wallet is made from first class cowhide leather. It is a tough but very finely manufactured handmade wallet with a smooth surface "Genuine Leather".

Large coin compartment with a snap fastener. The wallet also has three viewing windows for ID cards and two separate banknote compartments as well as several pockets for at least 30 credit cards.

Another compartment offers space for small things like invoices, addresses, etc. In all there are 4 foldable sides, nevertheless the wallet has a very handy format. Colour: matt black, brown with bright outer stitching. The wallet has a security snap fastener on the outside.

**Dimensions:** height 10 cm / width 12.5 cm

## Economy Leather cases

[000-019-000]

CHF 45

Textile wallet, cotton, vertical format, "Camouflage" with a large coin pocket and snap fastener. Clear viewing window on the inside. Additionally there are 3 credit card compartments for at least 9 credit cards on the inside. The wallet has an elegant black wraparound zipper. Another inner compartment is located under the coin pocket which also provides room for various ID cards, notes, invoices as well as 2 credit cards.

There are also two separate banknote compartments in the wallet. This wallet is very suitable as an outdoor wallet with a holder for wearing on the belt. The practical holder can be attached to the belt with a velcro strip and an additional security snap fastener.

**Dimensions:** width 9 cm / height 12.5 cm

## Exclusive Leather cases

[000-007-000]

CHF 54

Small, handy, black leather wallet with a viewing window for ID card and two credit card compartments as well as a coin compartment with snap fastener.
